RENTAL EQUIPMENT

Inventory?

The Scale People understands that some companies require weighing equipment on a temporary or seasonal basis for inventory and special projects. We maintain a large stock of weighing equipment especially for that purpose.

Whether it's counting scales for inventory, lab balances, crane scales, force measurement or washdown scales for special projects, inventory, or for additional requirements, The Scale People has the rental equipment to meet your needs. Make a specific request, or let our knowledgeable staff help you decide which piece of equipment provides the best solution for your rental needs.

Contact us today for pricing and availability.

Benefits of renting equipment:

- Inventory made QUICK and EASY!
- Rent for 1 week, a month, or lease long term
- Renting means no equipment maintenance or additional investment.
- Pickup and delivery is available for all customers. (Shipping is available for our non-local customers) or you can pickup at our facilities.
- On-site training (for local customers.)
- Counting scales automate the inventory process, making it more time-efficient. With our new high resolution scales you can now count more accurately.
- Portability of the equipment means you spend less time and energy moving your parts to a scale... instead, bring the scale TO your inventory!
- Our rental program is designed to save you time and money. From selection of equipment through testing, delivery, and customer training, we provide the full service you would expect from the areas largest scale rental supplier.
